

RESOLUTION OF THE  
METROPOLITAN PLANNING ORGANIZATION  
FOR THE JACKSON URBANIZED AREA

**WHEREAS**, the Central Mississippi Planning and Development District, as the designated Metropolitan Planning Organization for the Jackson Urbanized Area is responsible for carrying out a comprehensive, continuing, and cooperative transportation planning process for the Jackson Urbanized Area; and

**WHEREAS**, Federal regulations implementing the Moving Ahead for Progress in the 21<sup>st</sup> Century (MAP-21) Act of 2012 require that “—the metropolitan transportation planning process shall provide for the establishment and use of a performance-based approach to transportation decision-making” to support the achievement of national goals by establishing targets in key performance areas; and

**WHEREAS**, a national goal has been established to achieve a significant reduction in traffic fatalities and serious injuries on all public roads; and

**WHEREAS**, Safety Performance Measure regulations support the Highway Safety Improvement Program and require States and Metropolitan Planning Organizations to set Safety Performance Targets for five areas; including number of fatalities, rate of fatalities per 100 million Vehicle Miles Traveled (VMT), number of serious injuries, rate of serious injuries per 100 million VMT, and number of non-motorized fatalities and serious injuries; and

**WHEREAS**, the most current Federal regulations for metropolitan transportation planning, the Bipartisan Infrastructure Law (BIL) Act of 2021 continued the Federal requirements for a performance-based planning and programming approach for States and Metropolitan Planning Organizations; and

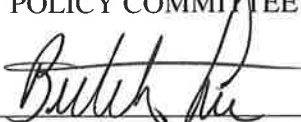

**WHEREAS**, States were required to establish 2024 Safety Performance Targets by August 31, 2023, as part of the State’s Annual Highway Safety Improvement Program Report; and

**WHEREAS**, the State of Mississippi established its 2024 Safety Performance Targets in August 2023 which include: Number of Fatalities 711; Rate of Fatalities per 100 million VMT 1.760; Number of Serious Injuries 2,520; Rate of Serious Injuries per 100 million VMT 6.260; and Number of Non-Motorized Fatalities and Non-Motorized Serious Injuries 247; and

**WHEREAS**, Federal regulations require Metropolitan Planning Organizations to establish targets specific to the Metropolitan Planning Organization’s planning area for the same five safety performance measures as the State for all public roads within 180 days after the State establishes its targets; and

**NOW, THEREFORE, BE IT RESOLVED**, that the Jackson Metropolitan Planning Organization hereby establishes its 2024 Safety Performance Targets by supporting the State of Mississippi’s efforts to achieve the 2024 Safety Performance Targets outlined in the MS Highway Safety Improvement Program 2023 Annual Report.

THE FOREGOING RESOLUTION WAS ADOPTED BY THE JACKSON  
METROPOLITAN PLANNING ORGANIZATION’S METROPOLITAN PLANNING  
POLICY COMMITTEE ON FEBRUARY 14, 2024.
