The Central Mississippi Planning & Development District (CMPDD) invites the public to review and provide comments on the **Proposed Public Participation Plan** for the Metropolitan Planning Organization (MPO) at CMPDD. **The 45-day comment period will open December 17, 2025 and close February 3, 2026.**

The CMPDD conducts a continuous, cooperative, and comprehensive transportation planning process and regularly seeks public input on its plans, projects, and work products. The CMPDD's approach to public engagement is guided by its Public Participation Plan. The Public Participation Plan outlines the strategies and procedures the MPO uses to engage the public as well as other interested transportation stakeholders throughout the planning process. Effective public engagement efforts ensure the community is informed and offered multiple opportunities to provide meaningful input through an accessible and proactive involvement process.

The Proposed Participation Plan is available for review and comment on the CMPDD's website at: [www.cmpdd.org/transportation/get-involved/](http://www.cmpdd.org/transportation/get-involved/).
