

Congestion Mitigation Project Application

Jackson MPO Surface Transportation Block Grant Program

The following information must be completed for all **Congestion Mitigation** proposed Jackson MPO STBG projects. MPO staff will use the information contained in the project application to assign points to proposed projects based on the Project Submittal Guidelines. The establishment of project eligibility and each project score will then be used by the Intermodal Technical Committee and Metropolitan Planning Policy Committee to program projects to be funded with Jackson MPO STBG funds. A separate application must be submitted for each type of project. For example, do not combine a street widening project with a traffic signal improvement project.
